PLEASE READ THIS CAREFULLY AND COMPLETELY

In processing your request for a <u>Home Weatherization Assistance Program (HWAP) Application</u>, we will need the information listed below:

Required information:

- 1. Completed application packet enclosed with all supporting documentation and mail to: ACCAA, P.O. Box 2610, Ashtabula, Ohio 44005-2610.
- 2. Copies of most recent gas and electric bills showing name and account number.
- 3. Proof of home ownership. If it is a mobile home, you must include a copy of the title. Applicants applying for weatherization may live in owner occupied or rental dwellings.
- 4. PROOF OF INCOME (HWAP goes by the past 90 days of income for anyone over the age of 18)
 - a. Copy of 2024 award letters. (SSI, SSA, SSDI, Unemployment benefits, Veterans Benefits, Pensions or Workers Compensation etc.)
 - b. If you have wages, we will need to see every paystub for the past 90 days. If you only worked for part of the year you will need a notarized income self-declaration form to show any months of other sources of income or zero income. (form will be provided by our office upon request).
 - c. If you have no income, you will be required to complete and have notarized an income self-declaration form provided by our office upon request. If an entire household has zero income, you will need to provide a non-filing status form from the IRS that can be obtained one of the following 2 ways. 1-800-908-9946 or www.irs.gov/Individuals/get-transcript
 - ❖ We cannot accept bank statements because they only show the net income and for HWAP we have to go by 90 days of gross income.

Once we have received the completed application packet along with all required documentation your application will be processed. Please keep in mind that we are not an emergency service and depending on the amount of incoming applications, processing could take several weeks and the wait time for approved applications could be several months. We will work diligently to complete the process as fast as we are able to.

Should you have any questions or need any assistance in completing the application, please contact Ashtabula County Community Action Agency @ (440) 997-5957 ext. 550, ext. 554 or 1-800-252-5249.

Community Connections Program Customer/Property Owner Acceptance

Dear Customer and/or Property Owner:

FirstEnergy's electric distribution utilities offer the Community Connections Program to their customers who are qualifying homeowners and tenants ("Customers") to help make their homes safer, to improve the energy efficiency of their homes, and to provide an opportunity to reduce their energy costs.

The Community Connections Program is designed so that it can be coordinated with other programs to provide comprehensive weatherization, energy efficiency and electrical safety services to our qualifying low-income Customers.

Under this Program, we will perform the following:

- Examine the electric wiring, lighting, heating system, water heater, refrigerator, freezer, stove and other electric energy appliances in the homes to verify whether they are operating safely and efficiently and if not, may provide services to address their operation.
- Check the attic, sidewalls, floors, windows and doors to determine if there is a need for additional insulation to the home and if there is, may provide services to address that need.

To effectively weatherize your electrically heated/cooled home, it may be necessary to insulate the wall cavities with cellulose. This involves drilling holes in the walls and putting insulation in the space behind. There are five methods we may use to get behind the wall:

- The exterior siding will be drilled and plugged.
- 2. The exterior siding may be lifted and the sub-siding will be drilled.
- 3. The interior walls will be drilled and patched.
- 4. The interior baseboards and crown molding may be removed and the wall sheathing drilled.
- 5. The seal plate and top plate of the wall cavity may be drilled.

If your home has asbestos siding or other factors which prevent us from drilling through the exterior, your inspector and insulation contractor will determine the best approach to use inside the home.

If you have a mobile home, it is still necessary for you to sign this form. Insulation may be placed in the belly, walls, and roof of the mobile home.

HOMEOWNERS AND TENANTS, if you qualify and would like the services under this program performed, PLEASE READ, SIGN, AND RETURN PAGE 2 OF THIS FORM in the enclosed self-addressed envelope, if applicable. Customer Tenants must additionally provide a copy of their most recent electric bill.

LANDLORDS -- PLEASE READ, SIGN, AND RETURN PAGES 3 AND 4 in the enclosed self-addressed envelope, if applicable.

HOMEOWNERSHIP AUTHORIZATION

The HOMEOWNER must read and initial each statement of the procedures that Ashtabula County Community Action Agency's weatherization staff may perform on your house in the course of completing the Home Weatherization Assistance Program. Please be advised, your application will not be processed if there are any lines that have not been initialed. Not all procedures may apply to your home.

Lift exterior or vinyl in order to install wall insulation. There may be some minor bending of aluminum siding. Siding will be returned to as near original condition as possible.
 Cut, lift or drill wood, shingles, asphalt or insul-brick siding. There may be some minor splitting or splintering of wood siding. Siding will be returned to as near the original appearance and condition as possible.
 Install Carbon Monoxide detector near sleeping areas.
 Test furnace and hot water tank for excessive carbon monoxide levels. I understand the test results apply only for the day of the test. I also understand that the test may result in the furnace being RED TAGGED. I understand that it is my responsibility to have my furnace and hot water tank serviced and re-tested each and every year.
 Install wall insulation from inside by drilling into the interior wall surface. All holes and made ready for painting or covering with a wall paper border or wood trim.
Downgrade fuses/breakers. Install appropriate sized fuses or breakers for a trial period of at least (7) consecutive days. Insulation cannot be installed in homes without the proper size fuses for the existing wire. I understand the fuses and breakers protect the wiring and that replacing the fuse or breaker with one of higher amperage than installed by the HWAP crew, could be a fire hazard.
 Install S-Type fuses. I understand that these fuses can only be replaced with fuses of the same type and size.
Electric repairs or modifications by a licensed contractor.

PROCEDURES: OWNER INITIAL ALL
Install attic hatch or other access for insulation crews to be able to enter attic area
Lift/drill attic flooring to install insulation. I understand that the attic space will be cold after this procedure.
Install attic ventilation. I understand that ventilation is necessary to dispel moisture from the building. I accept responsibility for any damages resulting from covering or removing the ventilation that is installed by Ashtabula County Community Action
Install gable venting to the attic windows-only if there is no other way to vent the attic area. I understand that the venting will replace the existing windows.
Repair/Replace the heating system.
Lower the thermostat on the water heater.
Other work that must be done in accordance with the Weatherization Program Standards (WPS).
I certify that I am the homeowner's authorized agent for the property at:
I further certify that I have given my permission to allow weatherization work to be done on the property. I understand that all work will be completed at no charge to myself or my family if my household qualifies for the weatherization program. (If you are a landlord, and you own a multi-family dwelling, the cost to you will be zero as long as it has 4 units or less.

To contact my local energy assistance provider or go online to energyhelp.ohio.gov to report any changes to my total household income or number of household members, within 30 days of the change.

To accept any energy efficiency programs offered by Development or its designated providers, if eligible.

To allow my utility companies to release my name, address, telephone number, household member information, amount of my utility usage, and total past due amount to Development and agencies performing weatherization services and/or provide other energy related services.

To allow Development to release my name, address, telephone number, household member information, and current status to the utility companies, and other energy assistance providers.

To allow Development to share my usage and demographic data with organizations contracted by Development to evaluate the programs administered by Development.

I understand

I will not be re-verified if I owe any PIPP payments. I must make up these payments by the next billing cycle, or the due date given to me by my utility companies.

If I miss three or more consecutive payments, I will receive a notice on my bill and have one billing cycle after the notice to make up payments or be dropped from PIPP.

If I do not re-verify my income at least once every 12 months, I will be dropped from PIPP.

If I do not make up missed PIPP payments by my stated anniversary date, I will be dropped from PIPP (I understand the PIPP verification and anniversary dates are printed on the utility bills each month).

If I make my PIPP payments in full and on time every month, I will receive a credit for 1/24th of my total past-due amount, and I will not need to pay the difference between my PIPP payment and my actual bill amount.

If I reapply for PIPP and I am not eligible, or if I choose to be removed from PIPP, I can enroll in Graduate PIPP for up to 12 months after the date I am removed and still receive credits toward my past-due amounts owed on my utility accounts.

If I move out of the service area for my gas/electric company, I can enroll in the Post PIPP program to make payments on my closed account and receive credits toward the past-due amounts.

I am legally responsible for all past-due amounts on my gas and/or electric accounts and if I am no longer enrolled in PIPP, the past due amounts will become due. If these past-due amounts are not paid in full, the utility companies may use any standard means of collection for the past-due amounts on my accounts.

I may appeal if my application is not decided upon within 12 weeks. I also may appeal within 30 days if I disagree with my benefit amount or if I was denied assistance.
